

Marking Rubric for Agenda & Reading Minutes

Agenda

- Did you set a goal for the week? (1 mark)
- Did you use your agenda daily? – excluding weekends (1 mark)
- Did you record your reading minutes for the week? (1 mark)
- Did you get your parent to sign once for the week? (1 mark)

TOTAL /4 marks

! Parents: it is up to you what the requirements will be to earn a signature for the week. 😊 For some students, more accountability is needed than for others. Also, it is your **child's responsibility** to seek you out and ask for your signature. It is not your responsibility to remind them. 😊

Reading Minutes

Each week, students are required to read for an *average* of 30 minutes per day. Most weeks, the expectation is for the student to read for 210 minutes. To make life a little easier for our kids, we have made some adjustments to the expectations:

- Reading done during school time may count toward home reading
- While reading is required on weekends, students are given a “day-off” on stat holidays and professional days. 😊 This will adjust the total minutes expected for the week.
